Hello Lindsay,

Just wanted to update you on our reconciliation progress. We have the number of firearms unaccounted for down to approximately 1,800 that the group is actively researching in the facility. As a point of note, I walked into the plant and found over 800 in one box within 30 minutes after you left yesterday – so the point is we need a little time to investigate and locate these items. They are all recently serialized so I feel comfortable the group will locate them quickly. I will keep you posted regularly.

Have a great weekend.

Regards,

Roger
